This is to acknowledge and thank you for your letter of September 3 in which you advise Mr. Dulles that you plan to be in Washington on September 29 and 30.

Mr. Dulles is presently out of the country and we are not expecting him back until around the first of October. Should he return in time, I am sure he will want to talk to you as you have proposed on 30 September. However, if he is not back in the city by that date, other appropriate people will be in touch with you. In any event, I will bring your letter to Mr. Dulles' attention as soon as he returns and I am sure he will wish to have a talk with you at some mutually convenient time prior to your departure on your forthcoming trip.

Dear Allen:

I
In your last letter you were kind enough to suggest that I see you before our group goes to the U.S.S.R. Since I must speak at the [redacted] [redacted] I wondered if it would be convenient for you if I came in any time the next day, Tuesday, September 30th. If this is not entirely convenient to you I shall of course be happy to see you at any other time.

You might be interested to know that I have been following Ambassador Lacy's advice concerning the problem of having our little "delegation" properly received by Soviet [redacted] Accordingly, I cabled [redacted] one appropriate individual [redacted] [redacted] but have not yet received a reply. Lacy suggested last week that I cable again which I have done. He advises us not to apply for visas until we hear [redacted]

We hope to leave on October 31st and spend the full month of November in the U.S.S.R. [redacted] joining our team. If you know him and his work you will know this gives us a most valuable man.

Jerry writes that he is having a rugged time with the yacht races. If he hasn't sent you the cigar picture by the time I see you, I shall get after him when he returns.

Will you please be sure your secretary replies to my home address above as usual.

With best regards,

I have read the Report. [Redacted]

[Redacted] which you were so good to send me.
Many thanks. I found it of great interest.

I note that the plans for the proposed trip are progressing and, should you get to Washington before you leave, I would like to have a chat with you.

In regard to the test that I made on one of Jerry's cigars (and might say that it was most successful, and far from a ten center) I trust you will ask Jerry to pass me one - I mean a photo not a cigar.

With kindest personal regards.

Sincerely,

I am just back from a brief vacation in the South.

I took along with me your most interesting report on India and read it with great care. Having taught school in India myself more than 40 years ago, I can say that many of the problems have not changed basically. I am asking others here in the shop to read your paper.

Faithfully yours,

Many thanks for your kind letter of 25 March and the enclosed Memorandum of Your Impressions of India.

I am leaving in a few days for a short vacation down south and am looking forward with much interest in reading the material in its entirety at that time.

With kindest regards.
